Academic Appointments

- **Assistant Professor (2022-)**, University of Pennsylvania
Department of Physics and Astronomy
- **Peebles Fellow (2019-2022)**, Perimeter Institute
Senior Postdoctoral Fellowship, Center for the Universe
- **Postdoctoral Researcher (2016-2019)**, Princeton
Department of Astrophysical Sciences

Education

- **Stony Brook University**, *PhD* (2016) Physics
- **University of Cambridge**, *BA (Aff.)* (2011), Part II and Part III Physics
- **St. Stephen's College, University of Delhi**, *BSc. (Hons.)* (2009), Physics

Grants

- PI on NASA Astrophysics Theory (NASA-ATP) 21-ATP21-0145 “Inflation Physics from Cosmic Velocities with Joint Galaxy and CMB Simulations”, \$543,706 (2021)

Awards

- [STFC UK Rutherford Fellowship](#), University of Cambridge (2021; declined for faculty offer)
- [P. J. E. Peebles Fellowship](#), Perimeter Institute (2019)
- [Astronomical Society of New York Graduate Paper Prize](#) (2015)
- [H. B. Silsbee Award for Excellence](#), Physics Department, Stony Brook University (2015)
- [Jonathan Kauffman Student Excellence Prize in Physics](#), Physics Department, Stony Brook University (2014)
- [Jennings Prize](#), Wolfson College, University of Cambridge (2011)
- [Gates Cambridge Scholarship](#), University of Cambridge (2009)

Teaching Experience

- Instructor and Co-organizer, Atacama Cosmology Telescope Data Analysis School (2019); Instructor for CMB-S4 Data School (2021)
- Instructor, “Coding in Python” and “Statistical Techniques” workshops, Undergraduate Summer Research Program, Department of Astrophysical Sciences, Princeton (2018)
- Instructor for (1) Astronomy and (2) Pre-calculus at the Albert C. Wagner Youth Correctional Facility through the Princeton Prison Teaching Initiative (2018)

Professional Service

- Teaching Assistant, Stony Brook University (2011 - 2013)
- Faculty, Cambridge Tradition and Cambridge Prep Summer Schools, Oxbridge Academic Programs, taught Astronomy and Computer Science, UK (2011, 2012)
- Member, Simons Observatory Theory and Analysis Committee; steering the scientific direction of SO theory and analysis efforts (2020-)
- Pipeline Co-Lead, Lensing Reconstruction Working Group, Simons Observatory (2018-)
- Pipeline Working Group Co-Lead, “Systematics and Science Interfaces”, Simons Observatory Project Work Breakdown Structure (2018-)
- Served as member of the Simons Observatory Data Management Committee (2017-2018)
- Panelist for grant review for the National Science Foundation (NSF)
- Co-organizer, Undergraduate Summer Research Program, Department of Astrophysical Sciences, Princeton (2018)
- Referee for *Nature Astronomy*, *Monthly Notices of the Royal Astronomical Society*, *Astrophysical Journal*, *Astronomy & Astrophysics*, *Journal of Cosmology & Astroparticle Physics* and *Physical Review*
- Remote Observing Coordinator, ACTPol observations, 09/14 - 04/18
- ACTPol telescope site visit, Cerro Toco, Chile, 12/13 to help with site operations

Collaborations

- Ongoing: Atacama Cosmology Telescope (ACT), External Collaborator on the Dark Energy Survey (DES) and Hyper Suprime Cam (HSC)
- Funded: Simons Observatory, LSST Dark Energy Science Collaboration
- Planned: CMB Stage-4, CMB-HD, PICO

Talks

1. (Scheduled) Invited Plenary Talk: “CMB Lensing and the Late-time Universe”, EuCAPT Annual Symposium, CERN, 05/2023
2. (Scheduled) Seminar: “Cosmology with ACT CMB Lensing”, Rutgers University, 04/2023
3. (Scheduled) Seminar: “Cosmology with ACT CMB Lensing”, Department of Physics, Princeton University, 04/2023
4. Invited Talk: “Cosmology with ACT CMB Lensing”, Future Science with CMB x LSS, Kyoto, 04/2023
5. Invited Plenary Talk: “Synergies between the Simons Observatory and Rubin Observatory LSST”, LSST-DESC virtual meeting, 02/2023
6. Invited Review Talk: “Key Challenges in Galaxy and CMB Lensing”, University of Cambridge 07/2022
7. Invited Plenary Talk: “Galaxy Clusters 2022” Symposium, STScI 04/2022

8. Seminar: Physics and Astronomy, University of Pennsylvania, Philadelphia 04/2022
9. Colloquium: Physics and Astronomy, California State University, Los Angeles, CA 4/2022
10. Invited Plenary Talk: Outreach talk at “Queen’s Space Conference”, Kingston, Ontario 02/2022
11. Invited Plenary Talk: “Spergelfest Symposium”, Princeton and New York, 10/2021
12. Invited Plenary Talk: “Cosmology From Home” conference, 07/2021
13. Invited Talk: “Cosmological Frontiers in Fundamental Physics”, Paris, France, 05/2021
14. Seminar: Cosmology Seminar, University of Oxford, UK, 05/2021
15. Seminar: Astrophysics/Gravity/Cosmology seminar, University of Illinois at Urbana-Champaign, IL, 04/2021
16. Colloquium: Department of Physics and Astronomy, University of Southern California, CA 2/2021
17. Seminar: LEPP seminar, Cornell University, NY 01/2021
18. Colloquium: University of Arizona Steward Observatory and NOIRLab, 11/2020
19. Seminar: German Center for Cosmological Lensing (GCCL), 10/2020
20. Seminar: HEA at MPA Garching, Germany, 10/2020
21. Colloquium: Aspen Physics Summer colloquium, 08/2020
22. Seminar: Institute of Astronomy, University of Cambridge, UK 06/2020
23. Seminar: Kavli IPMU, Kashiwa, Japan 04/2020 (invited, but canceled due to COVID-19)
24. Colloquium: Institute for Astronomy, University of Hawaii, 04/2020 (invited, but canceled due to COVID-19)
25. Invited Talk: Perimeter-CITA Day, Canadian Institute for Theoretical Astrophysics, ON 11/2019
26. Colloquium: Department of Physics and Astronomy, University of Southern California, CA 10/2019
27. BCCP Cosmology Seminar, University of California, Berkeley CA 04/2019
28. KIPAC Cosmology Seminar, Stanford University, Stanford CA 04/2019
29. Seminar at High Energy Theory Group, Physics Department, Boston University, MA 03/2019
30. Seminar at KICP, University of Chicago, IL 02/2019
31. Cosmology Lunch Seminar, Department of Astrophysical Sciences, Princeton University 02/2019
32. Invited Talk: BCCP Lensing Workshop, University of California, Berkeley CA 01/2019

33. Gravity Group Seminar, Physics Department, Princeton University 09/2018
34. Public outreach talk on the Hubble constant tension, Rutgers University, NJ 07/2018
35. Seminar at Rutgers University, New Brunswick NJ 11/2017
36. Seminar at University of Pennsylvania, Philadelphia PA 02/2017
37. Gravity Group Seminar, Department of Physics, Princeton University, NJ 12/2016
38. Seminar at Perimeter Institute for Theoretical Physics, Waterloo, Canada 11/2016
39. APEC Seminar at Kavli IPMU, Kashiwa, Japan, 04/2016
40. Graduate Student Prize Lecture at Astronomical Society of New York Meeting, Skidmore College, Saratoga Springs NY 11/2015
41. Astrophysics Seminar, Imperial College, UK 09/2015
42. Astrophysics Seminar, University College London, UK 09/2015
43. Institute of Astronomy Seminar, University of Cambridge, UK 09/2015
44. Oxford Astrophysics Seminar, University of Oxford, UK 09/2015
45. Joint Stony Brook / Brookhaven National Lab Cosmology Seminar, NY 06/2015
46. Seminar at Canadian Institute for Theoretical Astrophysics, Toronto 05/2015
47. Seminar at Perimeter Institute for Theoretical Physics, Waterloo, Canada 05/2015
48. Seminar at Yang Institute for Theoretical Physics, Stony Brook, NY 02/2015
49. Astronomy Seminar, Columbia University, NY 02/2015
50. Cosmology Lunch Seminar, Princeton University, NJ 01/2015
51. Department of Physics & Astrophysics Seminar, University of Delhi, India 08/2014
